

Recommendations — Work with the data in Weekli

Weekly

❖ The Weekli Quarter

- ❖ Banner
- ❖ HPI:s
- ❖ Heatmap
- ❖ Insights

❖ Keep track of trends

- ❖ Quick select scales in graph

Make sure you stay updated every week, then you save time by being able to act quickly in the event of downward trends or deviations.

Monthly

❖ Share data

- ❖ Workplace meetings
- ❖ Team meetings

❖ Weekli in dialogue

- ❖ 1:1
- ❖ Group discussions

❖ Local focus areas

Share data! Your employees only have access to their own data. If you share data, a greater understanding and transparency is created and this in turn can increase engagement.

Quarterly

- ❖ Focus areas on organizational level
- ❖ The Weekli Processen

At regular intervals, you should, together with management and your employees, create change based on the data in Weekli.
